FOREST AND SHADE TREES

AND ORNAMENTAL SHRUBS

Rt. 2, McMINNVILLE, TENNESSEE

SPRING SEASON OF 1920

TERMS OF SALE

ORDERS—Write plainly and give explicit directions as to address and mode of shipment; otherwise we will forward according to our best judgment. All goods travel at purchaser's risk. We assume no responsibility for the goods after delivery to the forwarding companies.

We use every care to secure prompt delivery, but we are not liable for delays or damage in transit. Our responsibility in this respect ends upon delivery in good order to transportation company, but we will gladly render all the aid we can in case claim becomes necessary.

CLAIMS, to receive consideration, must be made within ten (10) days of receipt of goods.

GUARANTEE—We are very careful to keep each variety true to name as labeled, and are ready at any time to replace, on proper proof, any that may prove otherwise, free of charge, or refund the amount paid, but it is mutually agreed between the purchaser and ourselves that we shall at no time be liable for an amount larger than the original purchase price.

TERMS, CASH WITH ORDERS, except to such persons as satisfy us as to their responsibility. All bills are due 60 days after date. Interest will be charged at the rate of six per cent on bills unpaid December 1 in fall and June 1 in spring.

A Certificate of Inspection will accompany each shipment.

Boxes and bales will be charged for at cost.

No charge for boxing and packing where cash accompanies order.

Evergreens are pulled in the mountains; will only be collected on damp days. Orders will only be booked subject to us being able to have them collected. They should always be shipped by express.

Owing to an unusually heavy fall demand and the early placing of spring orders, we only offer this stock in limited quantities. All orders booked subject to stock being unsold or shortages from loss beyond our control. Better order now for immediate delivery.

Most collected seedlings, such as Maples and some others, except large size, are crooked near ground and should be cut back to crown before transplanting. They grow up straight, smooth and much faster and quicker than when planted without cutting back. We cut back all seedlings to crown before transplanting.

WE WANT A VARIETY OF TREE AND SHRUB SEED AND CUTTINGS. NAME PRICE AND PROBABLE QUANTITY YOU WILL HAVE TO OFFER.
